Confidential

As to our candidate we have upmost confidence in our ability
to getting the job done in a professional and confidential
approach where both parties are at ease in the search.

We screen and get updated CVs with additional information
on their latest roles and achievements. We also include extra
information on through our interview either by telephone or
Face to Face that may include their cultural fit, personally
straits, latest achievements, leadership skills.

*We provide you upon presentation of a Bio profile for any
shortlist of achievements or for any awards .

Methodology through the power of networking and numbers:

To find the right candidate may take many hours of networking with passive candidates to get a list of 2-3 candidates that would be interested solely in your opportunity

After the interview process and screening for candidates are profiles sent across for your review. To decide whether the hiring manager has any interest for an initial firstly meeting at your offices or a telephone conference.

We do not expect to have any signed agreement until we have a mutual relationship for requirements and understanding from both sides. The more information we have the better for us to understand your requirements and allow us to be more effective in finding Top Talent in the market to suit your needs and requirements.

We would be pleased to meet you at your stand at the next leading conferences that take place in the future

Web 3.0 : Social Media Advertising and Job Boards and online presence and exposure in all regions. TOP placed searches for Google.

Why choose us?

We have an excellent method for screening candidate and supporting candidates and client s through the process, have specialist understanding for the industry and where to source the right candidates.

Over 80% of our candidates are passive profiles that are only seeking a move upon a stronger career development opportunity.

Put simply, we get results.
